

DHI Canada offers Remote Learning

Canadian Codes & Standards - (ELT540) 8 CEP Points

**Thursday, September 10 and
Friday, September 11, 2020**

12:00 noon - 4:30 pm (Eastern Time)

Instructors: Robert Watson, AHC
Krista Christensen, AHC

Subject matter includes a history of code development and adoption in Canada with the large portion of the time devoted to the specific requirements found in NBCC Part 3 and Part 9 as they impact the Architectural Openings Industry. Also discussed are the maintenance requirements for closures in a fire separation as required by the National Fire Code of Canada.

Upon completion of the course the student will have a basic understanding of subjects including occupancy type, occupant load and fire separation requirements with a detailed understanding of the application of door hardware components to comply with Canadian Code requirements.
